

Protect Yourself from Email Fraud

How to Enable Gmail 2-Step Verification

- Go to <https://www.google.com/landing/2step/>
- Read about why you need it, how it works, and how it protects you or skip straight to:
- Click the "Get Started" box in the top, right-hand corner
- Log into your Gmail account
- Confirm (or enter) the cellphone number on which that you would like to receive verification codes
- Select to receive the codes via text or voice and click "TRY IT"

- You will receive a code on your phone

- Enter the 6-digit code from your phone on your computer and click "NEXT"
- Next, you will be asked if you are using a trusted computer. If you are on a device that you use frequently and you feel is secure, you can tell Google to "trust" that device
- In the future you will not be asked for the Two-Step verification code when you log on to your account from that computer
- Complete the process by clicking "TURN ON" to turn on Two-Step verification
