**ROBERTSON PROMOTED TO ASSISTANT VICE PRESIDENT
AND TITLEONE TEAM LEADER**

TitleOne has promoted Justin Robertson to Assistant Vice President and Twin Falls Team Leader. Robertson, an Idaho native, joined TitleOne in 2005 and most recently was a commercial escrow officer for TitleOne in Boise. Additionally, Justin has served on strategic teams that were responsible for creating and implementing a software project, a health care savings plan, and an orientation program. In his new position, he will oversee office operations and manage title, escrow, sales and administrative members in Twin Falls.

“We are pleased to have someone with Justin’s experience join the great team we already have in place in Twin Falls,” said TitleOne President Doug Brigham. “With all of the growth taking place in the Magic Valley, Twin Falls is a going to be a very important market for us going forward and we thought it was critical to have the best resources possible in place. Justin brings a strong background of great escrow and customer service experience.”

About TitleOne

TitleOne was founded in 2000 by a small group of entrepreneurs who wanted to build a "different" kind of title company. Since then, TitleOne has grown to become the Treasure Valley's choice for title and escrow services, and now services the Ada, Canyon, Boise, Bonneville, Butte, Kootenai, Minidoka, Cassia, Twin Falls, Jefferson, Jerome, Gooding and Lincoln counties with 13 locations and more than 150 employees caring for customers every day. Through its charitable efforts, the company has contributed more than a quarter million dollars to Idaho charities over the years.
