

Congratulations

It has been our pleasure to join with our many great sponsors year after year to honor and celebrate the bright stars of our business community.

We are proud to announce the recipients, and honorees for this year's Integrity Counts! business honors program.

We invite you to catch the celebration spirit and *network* with business owners by attending the banquet to congratulate these 26 businesses choosing to be socially and ethically responsible to their community as a whole. The celebration will be held on Thursday, September 29, 2011 at NNU Brandt Center in Nampa.

Online reservations are now being accepted at www.snake-river.bbb.org/integritycounts.
